Project Type	Joint Projects - Gouvernance Reform
Target country(ies) and	AZ (1) - AM (2) - UA (2) - RU (2) - BY (1)
Subject area	Teacher training, higher education reforms
Title	QATMI
Description	This project aims to closely examine current practices in the development of international activities within eight universities in Armenia, Azerbaijan, Belarus, Russian Federation and Ukraine. Utilising the results from this exercise, participants will undertake a series of corrective and developmental activities to generally raise standards and quality across all partner institutions. It is expected that inter-institutional cooperation within the project will enable the PC HEIs to build sustainable international institutional partnerships and strengthen strategies for the development of an internalisation policy.
Specific Objectives	Assist Universities to strengthen their strategy of internationalization policy in compliance with a Strategy of Quality Assurance
Duration	36
Total awarded amount	659.376,00 €
